### Date

September 12<sup>th</sup> 2017 - 9:00 - 15:00

Aarhus University B-tech invites researchers interested in applying for EU Horizon 2020 project grants to participate in the 4<sup>th</sup> course module and workshop on **How to apply for EU funding** and **How to improve your EU application**. The main idea of the 4<sup>th</sup> EU Horizon 2020 course and workshop is to develop new and better projects in the aim of increasing the success rate of applications.

After the 4<sup>th</sup> course and workshop module we have the pleasure of inviting you to the grand opening of the new CGC Research Center, Aarhus University. CGC is a global association that serves as a platform for establishing strong academic and research collaborations among industries, institutions, universities and research laboratories in the cross-/inter-disciplinary multi-business modelling era. CGC Research Center is expected to be a major source and platform to attract funding to Aarhus University, including EU funding.

**Participants can register to the course and workshop module by sending an email to project staff member, Trine Bjørn Olsen, e: [trbjol@btech.au.dk](mailto:trbjol@btech.au.dk) - t: +45 87 15 19 56**
